Shaun/Joan/Deb – FYI I asked to have these additional backgrounders placed in your packet. We have not heard that the states want to talk about these additional topics nor do we need you to bring these topics up so these are included just in case the states bring these issues/topics up. The only issues you need to be prepared to discuss are the issues on the agenda and which we brief you on.

Hi Betsy -

Here are the midyear papers for the remaining 5 states for the briefing next week.

EP&R may have some additional papers; I am not sure for which states. Noah will send those to you directly and I asked him to copy SLT as well as Carson, Anthony, Gerard, and me.

In addition, Air will have an update for one CO item prior to that midyear after a meeting in May.

Anthony and I are about to head out for an Earth Day event at the Denver Federal Center.

Also, I will be out May 4-13 so please contact Jennifer Schuller if you need anything during that time period.

Thanks,

Melanie
